

KABLE KONTROL® Natural Clear Nylon Zip Ties

- UL94V-2 Flame Rating
- Made With Nylon 6-6 Material
- Standard, Heavy Duty, Or Extra Heavy Duty Break Strengths
- Operating Temperature Range -40° - 185° F
- Self Locking Design
- Smooth Finish, Saves Hands From Abrasion
- Conforms to ASTM-D4066 PA181
- RoHS Compliant: RoHS Compliant 2011/65/EU

Kable Kontrol® Clear nylon cable ties are the ideal high quality, durable, and cost-effective option for all indoor zip tie applications where your cable ties will be used for bundling wires or securing objects. These cable ties are UL94V-2 Rated, meaning they conform to the standards set by UL in terms of standards for the safety of flammability of plastic parts. Our cable ties are also Rohs, CSA and Mil-Spec rated.

MEETS QUALITY STANDARDS

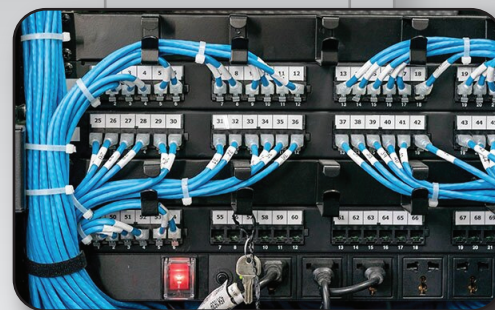

MATERIAL

Nylon 6/6
