

KP05 - Kneeling Pad

Collection: Anti-Fatigue Mats

Range: Safety Mats

Materials: EVA Foam

Inner Pack: 28

Outer Carton: 84

Product information

Lightweight EVA foam cushioning
Reduces knee and back strain
Integral carry handle

Anti-Fatigue Mats

Anti Fatigue matting is ergonomically designed to reduce stress caused from long periods of standing by actively working the legs. This increases blood flow to an ideal rate and prevents numbness and aching in the feet. Cushioning abilities provide a soft, comfortable effect whilst maintaining a correct posture and allowing users to work for a longer duration with less irritation whilst insulating feet from cold surfaces.

Features

- Reduces knee and back strain
- Integral carry handle
- Retail bag which aids presentation for retail sales
