

KP40 - Ultimate Gel Knee Pad

Collection: Knee Pads

Range: PPE Accessories

Materials: PVC Shell, Nylon, EVA Foam, Neoprene

Outer Carton: 36

Product information

Designed to give stability to the wearer by virtue of its flexible and wide foot print. Unrivalled comfort is provided by silicone gel inserts. Ergonomically designed and tested straps ensure no pinching to the back of the leg. A strong and durable outer shell makes for a long lasting tough knee pad.

Knee Pads

Portwest knee pads offer a range of knee protection to suit every situation, type 1 (strap on knee pads), type 2 (insert knee pads) and type 3 (kneeling pads). All Portwest knee pads use premium high density material to give the user the best protection possible for their knees no matter the hazard. Diverse materials such as EVA foam, neoprene rubber and silicone gel inserts are used to ensure maximum wearer comfort. Ergonomics is a key feature in our knee pads design and is backed up in the positive feedback we receive from our wearer trials.

PPE Accessories

Offering you a variety of products that can ensure safety and protection within your workplace. Ranging from visual warnings for indoor and outdoor use, to back support for tasks relating to heavy lifting.
