

4" PIPE & HOSE RAMP

Our redesigned and engineered 4" Pipe and Hose Ramp protects pipes, cables, hoses, or electric conduit lines from load-bearing traffic, with either temporary or permanent installation.

Our 100% American recycled composite material Ramp is easy to install, just as easy to remove and relocate, and won't crack, crush, crumble or corrode. It can withstand heat, cold, rain, ice, and snow. And of course, high traffic of heavy vehicle loads.
